**BINDING WOUNDS
PUSHING BOUNDARIES**
African Americans in Civil War Medicine

Traveling
Exhibit

Many histories have been written about medical care during the American Civil War, but the participation and contributions of African Americans as nurses, surgeons and hospital workers have often been overlooked.

Binding Wounds, Pushing Boundaries: African Americans in Civil War Medicine looks at the men and women who served as surgeons and nurses and how their work as medical providers challenged the prescribed notions of race and gender.

OPENING RECEPTION DATE

Wed. March 21st

4:30 – 6:00 PM
