As a team, discuss your experience searching your resource and try to answer the following questions. You will be asked to share your experience with the rest of the class.

1. Was it easy to search your resource?

2. Do you feel you found valuable sources on your topic? What makes these sources valuable?

3. Would you use your resource if you were writing a real paper? Why or why not?

4. Overall how would you rate your resource on a scale of 1 to 5 stars?
