1. Library website address: library.wayne.edu

2. Getting help:
   - Ask-A-Librarian: https://library.wayne.edu/services/ask-a-librarian/
   - WRT Zone: help with writing, research, and technology: http://wrtzone.wayne.edu/
   - WSULS YouTube channel: https://www.youtube.com/user/wsuinst

3. Online research guides:
   - IE 6840: http://guides.lib.wayne.edu/engineering/IE6840
   - eBooks: https://guides.lib.wayne.edu/ebooks
   - Business: http://guides.lib.wayne.edu/Business

4. Research Ethics, plagiarism and citation
   - Why we cite (WSULS short video) - https://www.youtube.com/watch?v=1AgTf_gESQI
   - Unicheck assignment in Canvas: https://guides.lib.wayne.edu/ld.php?content_id=46453435
   - Purdue OWL - Avoiding plagiarism: https://owl.purdue.edu/owl/research_and_citation/using_research/avoiding_plagiarism/index.html

5. Citation examples, Interlibrary Loan service (https://wayne.illiad.oclc.org/illiad/illiad.dll)

6. Google Scholar for finding specific articles
   - Access Google Scholar from the library homepage lib.wayne.edu (provides access to WSU subscription resources)
   - Use full/correct title in quotation marks or Digital Object Identifier (DOI)

7. Browsing and searching an individual journal (International journal of project management, ISSN: 0263-7863)

8. Using an article database to find scholarly articles by topic
   - Selecting a database (https://library.wayne.edu/resources/article-databases/)
   - Planning and executing a keyword searching
   - Refining search results
   - Downloading full-text versions in .pdf format
   - Finding related articles (references; related and citing articles)

9. Citation Management - basics
   - Library guide on How to Use EndNote: http://guides.lib.wayne.edu/endnote?hs=a
   - Exporting citations from Scopus
   - Importing citations to EndNote
   - MS-Word / EndNote integration
   - EndNote Training videos on YouTube: http://www.youtube.com/user/EndNoteTraining/videos
